

Maguelon Ark 8 11/30/96

Miss, Fannie, Wilson; Dearest One
Stationed at Tyler Texas.

I will endeavor to write you
a few lines to let you know I
received your highly esteemed letter
and was truly glad to know
that you was having a good
time and enjoying your self while
in the Star State. But I am
sorry to hear you say you do not
think you will ever come back to this
the State of Arkansas, but I hope to
see you here again as it would afford
me much pleasure to be with you, as
I love you more than tongue can tell,
you say in your letter you do not
think you will ever live in Ark
unless you live with some one
over
